## The Notion of the State: An Introduction to Political Theory by Alessandro Passerin d'Entrèves

It is an agreement to sacrifice some amount of natural equality and liberty for order and security. Europe in the 19th century is an example.

### Social Contract Theory and the State of Nature

Political sociology: a critical introduction. And it depends on power-serving as a medium in relation to a specific function in society.

### The Theory of Political Economy

Luhmann radically breaks with the overarching question of classical sociological theory that was primarily concerned with the question of how society is held together despite the centrifugal tendencies of functional differentiation usually answering this question with some variation of the *Gemeinschaft* theme.

### Against the State: An Introduction to Anarchist Political Theory

One such reason, generally advanced, is that in a pluralist society there are different groups and factions of the ruling class and they are sometimes involved in conflict.
