Interview with Edward M. Kennedy (5/31/2007)

Poor white kids being bused into poor black neighborhoods and vice versa. I often say a book was incredibly well-researched, but this was a true tour de force, meticulously covering Boston history, the long and tangled history of various ethnic groups and these three specific clans, and the social forces, local politics, and personalities that shaped the climate in 1970's Boston and led to th Pretty extraordinary book.

The Outsiders

Gale who had been treated in 1987 following years of abusing children began a restricted ministry around 1992, living at St.

The Outsiders

Kennedy Not that I know of.

Compelling tale of Boston desegregation: Journalist's book teaches like a textbook, but reads like a novel

Boston TV News Digital Library. As one who believed in and still does, as an institutionalist, the importance of institutions.

The Outsiders

I can visualize the geography described here, and while reading it, I would go out on my bike to check out the specific landmarks that are important in this book.

Roman Catholic Archdiocese of Boston

Those were years plagued by racial turmoil that surfaced after the death of Martin Luther King Jr. What strikes me about both books is the utter

intractability of the law when it imposed desegregation: Judges Sand in Yonkers and Garrity in Boston were emphatic that segregation could not stand, and they did not care in the least that in both cities, the people, the cops, the political will were not caught up.

The oracle

Brown at 60 and Milliken at 40

In some cases, insurance companies balked at meeting the cost of large settlements, claiming the actions were deliberate and not covered by insurance. There was no place to sleep at the reservoir, and so he and other soldiers drove home after their shifts. A longtime member of Boston's school board and city council, she served one term in the , succeeding
