Middle East

It is impossible for troops to be less encumbered than these; for their whole accoutrements and baggage are confined to a ruffly firelock, a large knife, a leather bag, a cotton shirt, a pair of drawers, a red cap, and sometimes flippers. In order to satisfy ourselves upon this point, it will not be necessary to enter into any tedious or doubtful calculation of what may be the lowest sum upon which it is possible to do this.

First, the agreeableness or disagreeableness of the employments themselves; secondly, the easiness and cheapness, or the difficulty and expense of learning them; thirdly, the constancy or inconstancy of employment in them; fourthly, the small or great trust which must be reposed in those who exercise them; and, fifthly, the probability or improbability of success in them. Thus live the Greeks of Mar-Simeon to the north of Aleppo, and of Mar-Saba on the Dead-sea; this also is the life of the Copts in the convents of the desert of Saint Macarius, and in that of Saint Anthony.

MUMMY

The activity of the Sun-god expands, touching all netherworldly beings. Dunn's hypothesis is that the Great Pyramid at one point utilized the natural energy of the earth in the form of seismic vibration.

A proof that the water of the tower comes from Ras-el-aen is, that it is troubled in September as at the tower, at which time it is of the same colour, and it has at all times the same taste.

The Archaeology and History of Bitumen

China has been long one of the richest, that is, one of the most fertile, best cultivated, most industrious, and most populous, countries in the world. The crucial motif of the union of Re and Osiris is absent.

Bitumen was a major constituent for Third Intermediate period and Roman period Egyptian embalming techniques, in addition to traditional blends of pine resins, animal fats, and beeswax. Jupiter seated on his eagle; Leda careffed by the fwan ; Diana with her bow and crefcent, and fveral buds which feem to be figures of emperors and em- prefies.

An Inquiry into the Nature and Causes of the Wealth of Nations, by Adam Smith

Thefe by the Turks were imagined very formidable works, though they would be laughed at in Europe. England's Secret Weapon charts the studio's careful course between modernising the detective and making sure he was still recognisable as the 'old Holmes', in clothes, locations and behaviour.
