Red star over China

But the reader must bear in mind that the Chinese people even today are experts in putting up a good face to impress people from the West. He helped get Mao elected in 1935. His book is largely unprecedented because of the fact that China was only just parting from isolationism and had not previously allowed citizens of Western countries to enter into China.

Red Star over China

Fairbank's introduction to the 1968 edition of Edgar Snow's Red Star over China is another illuminating description of China within the contexts of
