On becoming an alpinist, a few thoughts

But it goes much more smoothly if your limit is 5. I then looked up at what had fallen.

Nejc Zaplotnik, Mountain Poet

I know we will risk a lot.

How to become an Alpinist : Burlingham, Frederick : Free Download, Borrow, and Streaming : Internet Archive

And he had found a way to transmute all of this—the grief and wonder—into words that still reverberate with the power of sheer rock walls and shimmering blue ice, the gift of friendship in the mountains, and the encounters with the wildness inside us all. He replaced it: now both brothers were on backup ventilators.

Reality of becoming a professional alpinist : alpinism

Just to reiterate what others have said, It is not the location that makes a good alpinist, but the work they are willing to pour into it. On one side of his home valley reared the shining summits of the Karavankan and Kamnik Alps, and on the other, far to the west, the sharp ridges of the Julian Alps, Slovenia's highest mountains.

On becoming an alpinist, a few thoughts

I don't know how to dream and yearn anymore. In the years that followed, others attempted the route, including the legendary Reinhold Messner, as a member of a high-powered Austrian team.

On becoming an alpinist, a few thoughts

The air was desperately cold, the sky heavy with stars so bright they felt within reach.

Where to live to become a great alpinist

Where to live to become a great alpinist

I think I am a strong candidate, but looking at the equipment list for the course had me spinning. To give up a goal is much more difficult than to reach it.
