Special Education

The special education administrator will complete the student data form along with any pertinent information regarding the well being of the student.

Oregon Department of Education : State Interagency Coordinating Council : Early Intervention/Early Childhood Special Education : State of Oregon

A top priority for both school districts and the state is a single statewide, efficient and well run transportation system for special education, non-public and other students who must go out of their school district for their education. Selecting Schools When families move to a new city or state, finding the right school for their children is a top priority but often poses a challenge. This program maximizes the sharing of buses when possible to achieve service and cost efficiencies.

Oregon Department of Education : State Interagency Coordinating Council : Early Intervention/Early Childhood Special Education : State of Oregon

The Moving to Florida website was created as a one-stop hub of information on public education in Florida. Special Education Framework Several years ago, the department developed the first Special Education Framework and has continuously garnered feedback from educators on how to improve the framework in order to be most useful to teachers as they support students with disabilities.

School District Data

By Authority of IDEA and ORS 343.

Oregon Department of Education : State Interagency Coordinating Council : Early Intervention/Early Childhood Special Education : State of Oregon

A paper, A Response to the Learning Disabilities of America LDA White Paper on Specific Learning Disabilities SLD Identification was released

in December 2010. In August, the department shared the at the special education directors' conference. The State Interagency Coordinating Council SICC was established to ensure interagency coordination and to support the ongoing development of quality statewide services for young children and their families.

District Administrators

Children and youth ages 3—21 receive special education and related services under IDEA, Part B. For more information on this topic contact.
