UK's oldest theme park Wicksteed Park which opened in 1921 collapses into administration

But now, a small group of employees has formed a new company much reduced in size, to try and safeguard the future of the park. A show of hands revealed most members were interested in this and details of how to apply would be placed on the area website later. Andy Speechley said there would a marked-off lane to bring vehicles from the vehicle field to the arena.

I was pleasantly surprised when my Facial Bar arrived.

Inventor of children's playground had complete disdain for health and safety

Others have said that the rides are outdated and other parts of the park are a bit run down. NE canvassed opinion on the appearance of the vehicle display area and said several exhibitors wanted us to tighten up on procedures to make sure the area was purely military. We received this experience in exchange for a review.
