### Market Reports

Single-family sales declined in Delray Beach at the most significant year over year rate in over thirteen years as the market paused. We streamline the purchase of your market research reports and services through a single integrated platform by bringing all the major publishers and their services at one place.

### U.S. mortgage industry

The number of sales edged higher year over year for the third time in four quarters. Despite the slowdown, this quarter saw the highest market share of Manhattan townhouse sales in nearly three years.

### Mortgage Market Reports

States with over 100+ data sets covering 2012-2025. New leases surged year over year after seeing no gains for the previous fourteen months. Demand is especially high in outside of downtown city cores, as increasing work from home and virtual learning requirements have driven many homeowners to favor space over on-the-doorstep amenities.
