Deism: Its history, beliefs and practices

Science seemed to engage in a centuries-old battle with religion for the mind of man.

What is deism? What do deists believe?

Another result of such thinking was the Enlightenment philosophers regarded the human body as a machine with natural laws governing it which could supposedly only be properly discovered and dealt with by male doctors.

Deism

The Enlightenment philosophers assumed males had the superior faculties of reason and logic to females, making males and not females suitable to be doctors. Benjamin Franklin: Autobiography, Poor Richard, and Later Writings.

The Age Of Reason, The Enlightenment And Deism

Enlightenment and modernity. The English deists and reform, 2015. But he qualified this by saying that we should test all beliefs and ethics by our own human reason and conscience, and not by the Bible.
