You can have your questions answered by an experienced professional. He is personable which is rare these days and his communication with me throughout the process was prompt and thorough.

Personal Liability vs Personal Injury

The challenge for the insurance companies involved is figuring out how much to assign to each person. But, while bodily injury or personal liability insurance covers things like medical bills and legal fees if a guest is injured on your property, personal offense coverage covers something much different.

Personal Injury Liability for Accidents on Sidewalks

Determining Fault in a Personal Injury Determining fault for damages is one of the first steps in a personal injury case.

Personal Injury Liability for Accidents on Sidewalks

I utilized Pike and Lustig to help with my personal injury case, and I can truly say that I would recommend them to any one who has the unfortunate luck to be in a similar predicament. Manufacturers of products have a duty of care to see that items they sell to the public go through quality control measures to ensure that they won't harm anyone. The basis for any strong liability argument is personal injury evidence.
