## History of

Ancient China was similar to India insofar as there were practically no sexual censures or taboos whatsoever. When the Nazis became the enemy—and the epitome of murderous evil—American thinkers and scientists disowned their formerly open beliefs in eugenics.

## Sexual Health History: Techniques and Tips

The condemnation of between males, however, predates Christian belief. Western European culture didn't necessarily ritualize fellatio, but there was a time when it was much more openly libertine than today.

## The Scandalous History of Sex

Young men, after facing their own mortality during the war, began to drink and dance at Jazz Age speakeasies, and young women embraced sexual liberation through. Again, the woman is the vector.

## History of human sexuality

Are human beings the only mammals who practice fellatio? The same name crept into all the translations into other languages in India.
