Third National Communication of Albania to the United Nations Framework Convention on Climate Change

The MFA recommends that you exercise your own skill and care with respect to your use of this information, and that you carefully evaluate the accuracy, currency, completeness and relevance of the material on the Travel Information pages or on any linked site.

World Bank Climate Change Knowledge Portal

The reactivation of the Strategic Planning and Monitoring and Evaluation Unit in the Ministry of International Cooperation took place in 2015 and was established within the institutional structure of the Ministry.

Resilience building

She proposed applying the same principle of differentiated responsibility among the developing countries. Zimbabwe had thrown full support behind the declaration of the President of the Assembly on Climate Change and would like to see concrete decisions coming out of international deliberations, especially on funding for adaptation of developing countries, in areas such as the clean development mechanism, the Special Climate Change Fund, research and systemic observation. FAKHRUDDIN AHMED, Chief Adviser of the Non-Party Caretaker Government of Bangladesh, said the impacts of climate change were no longer a matter of conjecture, and Bangladesh was on the threshold of an environmental Armageddon.

Climate and carbon: Aligning and policies

The political agenda could not be allowed to be set by powerful countries acting unilaterally.

Climate and carbon: Aligning and policies

Voices for the Laotian Who do not have Voices. He stressed that environmental legislation was compulsory, noting that no investment was approved without it. In October 2015 the first highway through the country was completed connecting southern China to Thailand.
