City of London

The City offers some of the most fascinating modern architecture in London, and this alone makes a tour of London's financial institutions and markets worthwhile, even if you're not an investment banker.

The City of London Investment Trust has increased its dividends for 54 consecutive years. Uniquely for city or borough elections, its elections remain independent-dominated. The forum post can not be retrieved once it is deleted.

London

Alfred's taking of London and the rebuilding of the old Roman city was a turning point in history, not only as the permanent establishment of the City of London, but also as part of a unifying moment in early England, with Wessex becoming the dominant English kingdom and the repelling to some degree of the Viking occupation and raids. Burris-North has a personal connection to the dilemmas raised: He is the son of a father whose own parents came from Jamaica as part of the Windrush generation of Caribbean immigrants invited to the U.
