Eliot, typescript, 1 page, undated. He was already able to run errands for his father, to fetch a pail or a blanket, to hold a bridle, and soon he would be able to act as groom when the children rode their ponies.

Chapters and articles

The volume also includes a chapter providing an overview of the legal profession in England, outlining the kinds of marginality experienced by both lawyers, particularly solicitors, and women, who were struggling for legal identity.

Academic Subject: English Literature

Opposite them appear the translations, with explanatory comments as footnotes.

Academic Subject: English Literature

In the novels, the imagination retains its central role in the process of understanding, but understanding becomes a social affair of more than one person.

Academic Subject: English Literature

The elephant and the kangaroo: Container 4. ALS to White, 29 June 1947.
