Does your child know how to tell if a website is trustworthy? If your child is constantly watching TV and not achieving milestones in their academic, social, or emotional lives, all that time spent in front of the screen is simply time wasted.

**ERIC**

Television programs free of circumstances listed in Article 4 but portraying any one of the following circumstances shall be listed as PG-15. Even older kids may need to be reminded of the purpose of advertising. News programs, sports competitions, religious ceremonies and commercial communication broadcasts are exempt from the content rating system.

**Killing the Disabled**

MTV was the channel with the highest rates of all types of negative content, whether during programs or commercials. Television programs with this rating can contain mild violence, mild language and few romance.

**Television**

Of the 70 schools replying to a questionnaire only 13 had seen a demonstration of Teletext see Appendix 3. The ratings of the programs broadcast often caused legal interferences, since the radio and television authorities have stricter guidelines about age appropriate rating categories for programs.
