Yadaba

Within the Daibutsuden Hall there is a large statue of Amida Buddha that can be observed from outside. She believes she's entitled to have Yatarou because they made a marriage promise when they were young. .

Sakura Hagiwara

Yamadera Temple is about a five minute walk north of Yamadera Station, and the Fuga no Kuni entertainment complex is about a five minute walk southeast of the station. She wears a purple daisy on the right side of her head. To reach the upper area of the temple grounds, visitors must hike up a trail that leads up the mountainside.

Yadera System

Game content and materials are trademarks and copyrights of their respective publisher and its licensors. She prefers to live out her days in peace and quiet, and finds comfort in flowers.

Yadaba

Among the currently implemented in the , she is a Social Butterfly.

Yanderella

The temple was founded over a thousand years ago in 860 as a temple of the under the official name Risshakuji. If Yatarou decides to give the stuffed bunny to Honoka, Hinata calls Yatarou to the site of the secret bunker.

First

Past the Niomon Gate there are many temple buildings at various points along the mountainside. Shortly after, visitors will reach the Niomon Gate, built in the 19th century and one of the temple's newer buildings, from where the upper temple area begins.
