## 10 Of The Most Common Myths About Aging

Ageism is used to diminish and devalue people and is a convenient way to divide adults into two categories: us and them.

## How to Change Your Life Without It Being a Constant Struggle

Freedom is a huge benefit of retirement.

## Warning: Are you putting your future self on sale?

However, in follow-up experiments, when subjects were shown aged images of themselves, that tendency disappeared.

## Why People Love the Aging Face App

She is currently coordinator of the QWF Workshop Committee. Conforming to expectations When we fully acknowledge our membership in the older population, we then associated with them. A few years later he published his monumental indictment of ageism, *Why Survive?* I could see an antismoking application, too; instead of showing people diseased organs or strangers with tracheotomies, we could show them what the habit will do to their own faces and bodies, which our findings suggest would be more powerful.
