Sinn Fein's election success is important

Under the terms of the backstop — a top-down imposition insisted on by Dublin — this principle is effectively undercut. On the fundamental national question the position of the British ruling class remained as it had been in the 1960s — they would prefer to withdraw but the fact of Protestant resistance made this impossible.

There was thus for many months a strange situation in which two rival courts systems were operating under the new Irish Provisional Government. Farrell, The founding of Dóil Éireann Dublin 1971. Plunkett petitioned Crowley for a writ of Habeas Corpus — that is, the right not to be arrested without charge.

In the South, Sinn Féin pledged to stay on the opposition benches unless it was the largest party in any coalition during the run-up to the general election.

The return of the Irish question

And to a degree he was vindicated by the course of events. In March, Northern Ireland Secretary Brandon Lewis announced that the Government intended to move away from the Stormont House model. This problem would solve itself if there was a time limit on the backstop, but whichever scenario emerges from the Brexit talks, that point is likely to be academic now.
