She swallowed the sudden lump in her throat. Remember Tom Cruise jumping on Oprah's couch? And if you're like me, your favorite moment with both illustrations and story will be hidden underneath the snacks table at the ball. An android wants to believe in her life, that the feelings she has are real—and that she might be just as beautiful as her famous stepsister.

. She wore ripped jeans and a faded blue T-shirt, both of which were streaked with blood, dirt, and dark fur. Some of the stories I wasn't as into but some of them left me wanting more! She left her hair down, the brunette tresses hanging along the curve of her back in sexy disarray.

Magic at Midnight by Gena Showalter

The magical touches Ronel adds are perfect, and I could feel the wonder as Amy explored the castle's twisting corridors and secret passages.
