Individuals seeking to access or correct, amend or delete inaccurate data on CPH Web Products should direct his or her query directly with the Entity who has collected that information. Advanced students are unable to move on to new levels and must wait until the majority of the class is ready to progress to the next level. But we also have made an effort to include a representative sampling of vocal and choral music, as well as repertoire for instruments that often are given minimal attention in a theory course for instance, woodwinds and brass.

Anthology of Music for Analysis / Edition 1 by Stefan Kostka, Roger Graybill Ph.D.

Here we discuss each piece in the anthology from a more holistic perspective, paying special attention to the ways in which certain compositional features emerge as salient or interesting within that larger context.

The Advantages & Disadvantages of a Basal/Anthology Approach

Piano Sonata in G Major, Op. Teaching Approaches in Music Theory emphasizes thoughtful examination and critique of the underlying and often tacit assumptions behind textbooks, materials, and technologies. The Ring of Words: An Anthology of Song Texts.
