Who did the college at the U of T? That was a big drama.

### State HIV Laws

In Australia, about a quarter of prisoners inject drugs while incarcerated, according to a 2000 study. For example, the American Association of Blood Banks has a standards committee that writes detailed standards that go far beyond federal regulations on what blood banks should do.

### Report on the Global HIV/AIDS Epidemic

Positively False : Exposing the Myths Around Hiv and AIDS by Joan Shenton A British medical journalist examines the battle between the AIDS orthodoxy and dissenters who questions that HIV is an infection and that it leads to AIDS and death.

### Oral history interview with AA Bronson, 2017 March 3

Horizons program of the Population Council-ICRW, IMIFAP, MRC, PATH, Population Council. News headlines scream that the world is getting pulverized by the virus from hell. Perkins They never called on blood banks to do them

## **Refworld**

Medecins Sans Frontieres and School of Public Health and Primary Health Care, University of Cape Town 2001 Khayelitsha HIV Clinics, First Annual Report: September 2000 to August 2001. Data from surveillance among pregnant women at antenatal care clinics are separated into urban populations and populations living outside major urban areas. The conditions faced by the AIDS outreach workers in detention were deplorable.

### **The AIDS Epidemic in San Francisco: The Medical Response, 1981**

But on the whole, there are precious few encomiums penned to poor, drug-using men and women who have died with AIDS.
