## Christ's Hospital

In civvy street, it set a good basis for my engineering career. He lived in the ivy covered house that was in the boarding part of the school. Form Teacher 1B was Mr Akester, I think.

## Twitter Icon

The children were not only cared for but prepared for future careers. That was my nickname which followed me from infant school! Approximately forty-five to fifty pupils live in each house. I could not cope with the double P.

## History teacher at private school jailed for 17 years for raping pupil

We design for the construction industry mainly but have other interesting commissions and are currently designing a memorial park on the banks of the Thames near Tower Bridge for civilians of the East End killed during the Blitz. School was just for fun wasn't it? I am a member of the Territorial Army. .

## History of the School

Does anyone know where I can get in touch with. Anyone remember the headmasters — I have a vague memory of something ODDO 1090. The school brings back some happy memories and I really cannot believe it is 20 years since I left!! Little did I know when I left that I would end up a school governor as I have been for the last 5 years.

## Christ's Hospital School

Or Bunny Baker, who rather before his time encouraged religious debate in class? Jim Howie carrying me and my broken leg off the rugby pitch - I was a big lad even then. And fainting in Biology - last thing I heard was the teacher telling everyone just to step over me, I think he got used to it.

## **Christ's Hospital School**

Teachers included 'Sarge' PE, Mr Duguid Chemistry and Crusaders; I went on to study chemistry myself at Sussex. I'm married, two beautiful daughters aged 3 and 18 months, and live in Colchester until August 2002 when we move to Cyprus. I was naughty but never mind.
