### Studies and Industry Reports

Please see below for a detailed breakdown of the member statistics for those that have contributed to the database. Typically, companies have pursued one-off projects. This creates the potential for faculty unknowingly violating an NDA, antagonizing the company and inhibiting the development of a more lasting relationship.

### Investment Banking Industry Reports

It includes obligations such as long-term bank loans and notes payable to Canadian chartered banks and foreign subsidiaries, with the exception of loans secured by real estate mortgages, loans from foreign banks and bank mortgages and other long-term liabilities. The intent is to submit a joint proposal for funding to the U. Cross-check your information against other sources to ensure accuracy.

### Industry Reports

Bakken Medical Devices Center for research, continues to grow one of the largest medical-technology clusters in the world.

### Investment Banking Industry Reports

The sector now employs 130,000 people, an increase of 30,000 jobs since 2004. Contact private data-collection agencies or industry interest groups for a published report or market analysis relevant to your research. Begin your report with a broad description of the industry.

### The Economic Case for Higher Education

A university should also negotiate which industry sectors the company will have the right to apply the patent in, freeing the university to offer it to companies outside those sectors. The distinction between commercial development and early stage research has traditionally been seen as a defining difference between the values of corporate culture and university culture: the bottom line versus advancing knowledge and training the next generation of scientists without regard to profit.

### Colleges & Universities Industry Profile from First Research

Please rank in terms of you historical method. Return on Assets ROA Return on Assets ROA is net income relative to total assets. We are also in the early stages of seeding a project with Philips Healthcare related to acute care.
