Third Anglo

Preceded by Succeeded by Today part of British rule in Burma lasted from 1824 to 1948, from the successive three through the creation of Burma as a to the establishment of an independently administered colony, and finally independence. Terms Related to the Moving Wall Fixed walls: Journals with no new volumes being added to the archive. They were administered separately by the British with a Burma Frontier Service and later united with Burma proper to form Myanmar's geographic composition today.

History of the British Residency in Burma (December 1968 edition)

The British found that without mounted troops it was generally impossible to fight the Burmese successfully. As was only to be expected in an enterprise of this description, the navy as well as the army was called in requisition; and as usual the services rendered by the seamen and guns were most important.

Dilemma of the British Representative to the Burmese Court after the Outbreak of a Palace Revolution in 1866 on JSTOR

The popularity of the AFPFL, dominated by Aung San and the socialists, was eventually confirmed when it won an overwhelming victory in the April 1947 constituent assembly elections. Some items of high religious importance, including 11 gold idols of Lord Buddha, were retained by the Calcutta museum to be restored and if later requested returned to descendants of Burmese royalty.

Vol. 25, No. 97, JUNE, 1940 of History on JSTOR

The region under British control was known as British Burma. Photographer: Hooper, Willoughby Wallace 1837—1912. A new generation of Burmese leaders arose in the early twentieth century from amongst the educated classes, some of whom were permitted to go to London to study law.
