Soviet Philosophy: A General Introduction to Contemporary Soviet Thought.

The philosophy of dialectical and historical materialism played the role that in traditional societies belongs to mythology and religion. By method we mean a procedure and it is obvious that the principles according to which a procedure is carried out are rules, i. What is their historical and religious mission? Rozanov, Berdyaev and Shestov anticipated major changes in European thought; they expressed existentialist views twenty or thirty years before existentialism became a leading movement in Western philosophy.
