### Paper: Language and Inequality in India: Language Rights or English for All? (27th Annual Meeting)

Cambridge, UK: Cambridge University Press.

### Poverty or Inequality: Does It Matter?

Women are more innovative as well. Mr Marples's manifesto for the control of fair incomes; 21.

### Paper: Language and Inequality in India: Language Rights or English for All? (27th Annual Meeting)

When their age is change their language also changed. Old people are called senior citizens which is actually a Euphemism or too harsh. Females have less variation in vocabulary.

### Language: The cause of social inequality

Religion: We use different words because of our religion. Further, while there has been increasing interest in recent years in the economic angle to language, the management of multilingualism in the economic domain and its stakes for economic growth have not yet received adequate attention. So, social inequality reflects in language as a part of the society.

### De Gruyter

Language, with other social factors, creates inequality.

### The Language of Inequality in the News: A Discourse Analytic Approach by Michael Toolan, Hardcover

. An Introduction to Sociolinguistics Oxford: Blackwell Holmes, J.

### How the language we use entrenches inequalities

In this instance, the power of language and the potential for it to shape behaviours has been acknowledged. Male swear more than female.
