The higher status of women in pastoral-nomadic, as compared to agrarian, societies has been noted throughout history.

## **Classics and Moderns in Economics: Essays on Nineteenth and Twentieth Century Economic Thought**

In Anatolia, for centuries after the battle of Manzikert, cultures and creeds coexisted as much as competed. But this approach brings with it an enormous amount of political risk.

### **Female alumni are winners at Chemeca Conference**

This relationship was matched by the lifelong devotion to Foxwell of one of his earliest London students, and later leading economic bibliographer and historian of economics, Henry Higgs. This has enabled a deeper understanding of risk in all phases of production operations, and has led to insights and actions that have resulted in improved process safety performance, integrity and reliability.
