## Revision guide

Even today there are MacDonalds who will not speak to Campbells and vice-versa.

## B.C. Brooks: A Writer's Hiding Place: North Carolina's Political Pirate Nest

His was a painstaking and accurate depiction, in drawings, etchings and watercolours, of the topography of the land and of the architecture he complained of the fad for modernising some of the old vernacular buildings. Most people — over 90% - plead guilty at this stage so most cases conclude without a trial.

## Articles and Stories on Scottish History

Argus, a pheasant, a beautiful Oriental game-bird, so called from the eye-like markings on its plumage.

## Feature: 1707: The Treaty of Union

Published by the American Scottish Foundation, Inc.

## Clan Campbell History

His 'vision' of nature was one that did not distort it in order to make art. However, it is thought that much had been achieved under the previous governorships of governor 69—71 AD, and of governor 71—74 AD.

## The Treaty of Union of 1707

A 'new Picturesque' sensibility emerged.

## **Feature: 1707: The Treaty of Union**

The turning point was the birth of a male heir in June 1688, James Francis Edward Stuart.
