Hierarchy of Civil Courts in England

Chapter 9 The chapter of the Bankruptcy Code providing for reorganization of municipalities which includes cities and towns, as well as villages, counties, taxing districts, municipal utilities, and school districts. Liquidated claim A creditor's claim for a fixed amount of money. The Crown Court is the only court in England and Wales that has the jurisdiction to try cases on indictment and when exercising such a role it is a superior court in that its judgments cannot be reviewed by the Administrative Court of the Queen's Bench Division of the High Court.

Courts of England and Wales

§§ 101-1330 , the federal bankruptcy law.

Interpretation of contracts under English law

The Court of Appeal There are two divisions in the Court of Appeal- the criminal division and the civil division.

Jurisdiction of English courts Sample Clauses

The seniority of the judge depends on the seriousness and complexity of the case. Bankruptcy estate All interests of the debtor in property at the time of the bankruptcy filing.

Barrister

Home confinement may include the use of electronic monitoring equipment — a transmitter attached to the wrist or the ankle — to help ensure that the person stays at home as required. Claims between £10,000 and £25,000 that are capable of being tried within one day are allocated to the 'fast track' and claims over £25,000 to the 'multi-track'.

Hierarchy of united kingdom legal system

There is a similar system of employment tribunals in Scotland.
