Stamford Raffles & the Founding of Modern Singapore

Raffles College was only formally declared opened the following year on 22 July by Sir Hugh Clifford, then Governor of the Straits Settlements and High Commissioner to the Malay States.

Yong Loo Lin School of Medicine

Image of Sang Nila Utama statue temporarily installed at Boat Quay beside the Raffles statue for the Singapore Bicentennial celebration in 2019, courtesy of: Former Raffles College Today The National University of Singapore NUS, formerly the University of Singapore relocated to its campus at Kent Ridge in 1981, but the Former Raffles College continued to serve its purpose as an educational institution. The statue was placed such that it looked toward the assumed place of Raffles' original landing at the mouth of the Singapore River.

About Raffles Statue (Opposite Victoria Memorial Concert Hall)

The little money the family had went into sending Stamford to a boarding school.

Statue of Stamford Raffles

In 2015 it has been ranked 54th in in world ranking. The hall was named after Oei.

List of Named Scholarships

Since 1979, the scholarship has been awarded to undergraduates with excellent academic results. The scholarship is awarded to undergraduate students with excellent academic results. But before the Singapore Institution Raffles Institution was founded in 1823 there were a few Malay Schools, a small missionary school and three Chinese schools in Singapore.

History of Raffles Statues in Singapore

Are you decorating a new home or remodeling the house. C, we have to first get to know about King Edward VII College of Medicine and

Raffles College.
