## Browse Collections (S), Online Archive of California

Hussey was an attorney and an American officer during World War II. . Etudes sur la Fortification permanente.

## Modernism

Modernism's stress on , experimentation , and disregards conventional expectations. This electronic version of the MED preserves all the details of the print MED, but goes far beyond this, by converting its contents into an enormous database, searchable in ways impossible within any print dictionary. In similar fashion, photographs may fulfil one or more functions of the medium.

## History of Florida, past and present, historical and biographical, volume I.

Although derived from the western Indian style, it is clearly independent, full of the most vital energy, deeply felt, and profoundly moving. . In their deeply personal reflections and memories, the alumnae survey responses are a vital record of the lived experiences of women at one of the premier

institutions of the United States in the late nineteenth and early twentieth centuries.

## U

We saw half-dressed wretches crowding together to be warm; and in one bed, although in the middle of the day, several women were imprisoned under a blanket, because as many others who had on their backs all the articles of dress that belonged to the party were then out of doors in the streets. Clements Library Finding Aids site provides access to finding aids or descriptive inventories for manuscript and graphics collections at the Clements Library.

### **Catalogue of the library of the U. S. Military academy, West Point, N.Y.,**

Included are many editions of his Treatise on Painting, beginning with the first Italian and French editions, published in 1651. The collection includes administrative materials; correspondence; articles; manuscripts; typescripts; proofs; translations; research materials; indexes; subject files; maps; and writings by others related to Popper's career as a Professor of Semitic Philology and Arabic at the University of California, Berkeley. Although there is no clear proof of historical continuity, scholars have noticed several striking similarities between this early culture and features of later Indian civilization.

### **Archival Resources in Wisconsin: Descriptive Finding Aids**

Includes correspondence and ephemera related to Woman Suffrage pioneers Susan B.
