People used to hold medicine in great awe. Thinking it's a trap but not wanting to miss out on one of Dick's wild parties, they discuss whether or not to go and finally decide to just tell the police there's an obscene gathering there so that way they won't actually be missing out on a great party since the police will break it up. By the time he leaves, they have hope and a plan to live a healthy and happy life.

**Doctor in the House**

Falling in with three longer-serving hopefuls, he is soon immersed in the wooing, imbibing, and fast sports car driving that constitute 1950s medical training. The lads basically mean well, but their habits of skyving off and attempting to chat up every available nurse drives the ferocious Professor Geoffrey Loftus to distraction. The trials and tribulations of a group of medical students at St.
