### Canada

The time had come for action—if anything could really be done. Since then, the rights of the governor general have been clarified and ultimately, granted each dominion political independence. Prime Minister Borden had fought successfully for Canada to have its own seat at the conference which meant that Canada was no longer represented by Britain.

Quebec and were required to publish their laws and allow proceedings in their and legislatures in both English and French. Sydenham dispensed with the oath on the advice of his legal officials.

### Dear white people, wake up: Canada is racist

Canada was by no means unaware of the danger of abrogation, nor was Britain indifferent to the interests. It is true, as Sydenham and Elgin pointed out, that the British party names hardly corresponded to local divisions—and that these divisions were really too petty to deserve the name of parties.

### James Wolfe

The failure of the home ministry to include the local government clauses, which formed a fundamental part of the Union Bill, made such efforts even more necessary than before. Under the operation of the treaty, fiscal privileges in the United States had been substituted for the recently abolished preference in the British market.
