“Of course I have changed!”: A narrative inquiry of foreign teachers’ professional identities in Shenzhen, China

Cambridge, MA: Harvard University Press. Here are a few reasons you should incorporate storytelling into your EFL lessons. In addition, the data were analyzed using thematic analysis and categorized into themes and categories in the meaning making and interpretation process.

Narrative Identity in English Language Teaching Narratives of Learning and Teaching

New York: Oxford University Press. First, give them specific big events on a smaller circle map.

Narrative inquiry for teacher education and development: Focus on English as a foreign language in China

This will help them make sure that they actually have a story to tell, with an identifiable problem, a sequence of events that build to a climax, and some kind of resolution, where something is different by the end.

THE IMPORTANCE OF STORYTELLING IN THE EFL CLASSROOM

Within the body, students are going to cover the sequenced events, details, feelings, actions, and emotions. Designing educative practicum experiences for prospective teachers. This has made my life so much easier.

Narratives of learning and teaching EFL

Language teacher development in a narrative frame: The transition from classroom to distance and blended settings. I clicked on it because I always click on C. That is the essence of teaching literature or writing at any level.
