About 12 million immigrants would pass through Ellis Island during the time of its operation, from 1892 to 1954. In fact, as a result of the variety of these recent immigrants, the United States has become a truly multicultural society. The Refugee Act protected this type of immigrant's right to come to America.

New Zealand

Also in that year, California became the first state in which no one ethnic group made up a majority. Our software was built by immigration professionals and currently used by immigration attorneys. Over the next few decades, other explorers followed in Columbus's wake, hoping to take advantage of the shortcut to Asia.

Immigration and Citizenship

Many more slaves were forced to come to America to meet the demand for labor. Many people fled the country during the short revolution. They took jobs paving streets, laying gas lines, digging subway tunnels, and building bridges and skyscrapers.

immigration

Europeans started looking to America again as a place of refuge.
