Magan to Dangan o Tsukatte Isekai o Buchinuku! (Title)

Kakine used it to capture Underline, the nano-machine which Aleister Crowley uses to monitor Academy City.

Hitogami

Yes a map of the entire world which is extremely helpful and interesting to look at especially for reference during Rudeus' adventure. His brain however, survives destruction, and is later collected for Academy City's use.

Kakine Teitoku

There are no spoilers in this review, I am writing this mostly for the sake of those who are considering reading this. Rudeus passionately describes how his one wife, who is particularly shy, submissively allowed him to try out all the sexual practices he dreamed about.

Mushoku Tensei: Isekai Ittara Honki Dasu

Accelerator thinks that there must be some truth to what Kakine has said about Aleister having many plans, and wonders what tragedy has struck him in the that shaped him to what he is and to push him to what he does.

Makikomarete Isekai Teni suru Yatsu wa, Taitei Cheat (Title)

Overall 4 Story 3 Art 7 Character 5 Enjoyment 4 If you are a tl;dr person, just scroll down to the very bottom where I have included a summary. There, the Professor discovers that Kakine Teitoku is alive and without a single scratch on his person.
