Flight of the Wild Geese

Albion: A Quarterly Journal Concerned with British Studies. Ormonde thinks he has raised his grandeur upon a rock. {topic Movements in Ireland for William, Prince of Orange} While the Catholic of Ireland were busy in raising an army for the king in the months of December, January and February, the Protestants of Ireland were hatching oppositions; for they had resolved before to side with England, and acknowledge the prince of Orange for their king.

Jacobite Ireland, 1685

George, the King over the Water, or the Old Pretender. In 1642, the representing the Irish insurgents proclaimed allegiance to Charles, but the Stuarts were an unreliable ally, since concessions in Ireland cost them Protestant support in all three kingdoms. But you will say that Ormonde chose to establish Protestant religion in Ireland upon the ruin of his country.

Jacobite Ireland, 1685

Quotations from written sources are tagged qt and may be included in cit tags. However, under the influence of Catholic clergy, many of them deserted to Polish service.

Jacobitism

The chief houses of the Plunkets were those of which the heads were the earl of Fingall, the barons of Dunsany and Louth. Immediately after, this fanatic cabal sent sir John Clotworthy, that famous plunderer, into England, to disperse stories that it would be dangerous for the.

Jacobite Ireland (Four Courts History Classics): Simms, B: 9781851825530: sdk.mavlink.io: Books

The proposal was that a force of about five thousand English troops under his command should sail directly to the Munster coast. The Irish officers and soldiers, adds the account, signalized themselves throughout the entire siege by their bravery and by their extraordinary endurance.
