Milestones: 1981

One of his most notable acts was in response to a letter from a 10-year-old American child from Maine named , inviting her to the Soviet Union. Encyclopedia of the Cold War. The USSR was the first country which recognized the new state, and Soviets were the first who proposed all kind of support and assistance for young democratic society.

President Ronald Reagan: Winning the Cold War

It was a frightening and truly terrifying sign of crisis.

The '80s: The Decade that Made Us

Instead, Solidarity candidates shockingly won every contested seat, despite having been outspent considerably by their opponents. It was presented as an alliance and not just a nonaggression pact.

The Reagan Doctrine: To Wipe Out Communism

But there were more immediate causes for the collapse.
