Despite the short interval since the previous election, the 1966 Conservative campaign was boldly forward-looking. This victory was reflective of a general national trend towards the Conservatives which continued until 1970. Liverpool: Liverpool University Press, pp.

An English History Timeline

Although there was much in the Nazi system that profoundly offended British opinion, I was not blind to what he Hitler had done for Germany, and to the achievement from his point of view of keeping Communism out of his country. However, this body was never constituted.

Biography

Unlike in the country at large, the Conservatives were no longer able to hold on to their affluent, southern heartlands in the city and their vote share gained them little, if any, representation on the council. Within the government there were similar yearnings for peace. Harold Macmillan's great and lasting achievement was to repair the relationship with the United States.
