Avon Brass History

The place has a strong or special association with a particular community or cultural group in New South Wales for social, cultural or spiritual reasons.

Greening the valleys:

It starts and finishes near All Saints' Parish Church in the town centre, and may be walked any time. The Sweat of their Brows - 100 Years of the Sydney Water Board 1888 - 1988.

49th Annual Conference

All of these were designed and constructed in Australia.

OLIVER EVANS CHAPTER

The project begins on Saturday 28 November with an official launch being held at RSPB Participants can embrace their inner Indiana Jones by learning how to conduct archaeological surveys, undertaking research, discovering and recording sites, all under the guidance of the professionals. Llynfi Valley at Wildmill footbridge Llynfi Valley at Wildmill footbridge Llynfi Valley at the M4 crossing Llynfi Valley at the M4 crossing Llynfi Valley, Pen-y-cae road bridge Tondur Junction - SS 8950 8447 Tondur Junction, the meeting of the Garw, Ogwr, Llynfi and Kenfig Hill lines. Midland Wind and Water Mills Group Mills and Millers of Ireland Mills Archive - sharing records and history relating to traditional mills and milling Mills of Northern Ireland - details of over 2500 mill sites with a list of their functions and owners.

Avoncliff

The vast northern forests and rounded heights of the Cheviot Hills give way to the leafy valley of the River Till, and finally the traveller follows the banks of the mighty River Tweed to reach the North Sea at Berwick. This is a walk of the pastoral, of villages and farms and quiet pleasures. The rehabilitation of tracts of scarred in the construction process employed at Avon Dam through beautification works is representative of practices undertaken at other dams throughout NSW.
