Notes: Reproduced from type-written copy.

This edition was published in 1942

Louis, Missouri, and remodeling was scheduled for completion and occupancy by March 1, 1943. At the close of calendar year 1942, twenty-three more charts had been edited and 9 more printed and delivered.

After the War

Steps should be taken at the federal, state, and local levels to reduce the unnecessary and counterproductive incarceration of low-level nonviolent offenders with mental illness. There were two parts to the job-- first, to build up materiel production, and second, where production could not be built quickly enough, to divide the shortages so that the least important elements would receive the least support.
