Women Airforce Service Pilots

Notable for a busy airline executive who died at just 54.

51 Heroes of Aviation

Post Office Department from 1918 to 1927 when it operated the Air Mail Service. Other hazards: the hostile Sahara, impenetrable Andes, and 150-mph winds that roiled over the southern Argentine coast.

Harry Combs: The Early Years

She served as secretary-treasurer and director until 1950, when her husband died. An armour piercing bullet was removed by a surgeon later and he became a 'Gosport' flying instructor in the U. Translation:having to fight a two-front war means-- splitting their forces between the European theatre against Nazi Germany and the Pacific War against Japan.

The Extraordinary Story of Pioneering Aviator Amy Johnson

Besides pilots and other ground crew, the group included women flight nurses, such as Jane Foster Hanks. Those are for cows and livestock.

Concrete Arrows and the U.S. Airmail Beacon System

Composite jet and piston engine airplane - June 25, 1944 - Ryan FR-1 Fireball.

Aviation Films

At first companies did not think that there would be a labor shortage so they did not take the idea of hiring women seriously.
