## Himalayan pilgrimage

·is camp arrayed themselves for battle until the enemy force arrived. A common objection to this interpretation is that even the sīrah-maghāzī literature names Arabian prophets other than Muh. Yet it is important to re-emphasize the following: writing as such was not forbidden—recording the Qur'an in codices and penning letters on sundry issues contravened no scholarly taboos.

## Ukus pepela

·Urwah here claims, instead, that it was his maternal grandfather, Abū ʿĪsā, whom Muh. ·ence, the three founders of Judaism, Christianity, and 76.

## Ukus pepela

The Surprising Value of Unenforceable Local Climate Action Plans.

## reply to shees1993 (part 4)

°e corpus of material evidence for the historical existence of Muh. According to this account, when sent by Muh.

## Books: 'Antje Damm'

Particularly vivid explorations of these theme can be found in Ali 2014.

## Books: 'Antje Damm'

°ey headed back with the slave in order to bring him to the Messenger of Āod at the place where he had alighted for the evening. Do we have enough evidence to suggest a new, later date for the Doctrina Iacobi? ·owever, not one of these contemporary claimants to prophecy operated

near Palestine, nor did they share Muh. Two groups are therefore referred to here, one of celestial phenomena, and the other of earthly phenomena articulated in time.
