## Public sociology: An introduction to Australian society — Charles Sturt University Research Output

The five primary institutions are found among all human groups. The previous two editions of 'Public Sociology' have established the book as one of the most popular and accessible introductory sociology texts. The aim is to encourage in students the ability to critically reflect upon the forces - both local and global - shaping their own lives and the communities in which they live.

**Sociology : place, time & division / edited by Peter Beilharz and Trevor Hogan**

.

**SOCI 1003OL**

.

**Sociology : Australian connections / edited by Ray Jureidini & Marilyn Poole with Sue Kenny**

This introductory course provides students with the skills to analyse society from a sociological perspective. . The aim is to encourage in students the ability to critically reflect upon the forces - both local and global - shaping their own lives and the communities in which they live.
