## Middle East and North Africa

They correlate only with conflict over water, and represent only five conflicts since 1900. Chiharu Mizutani, Senior Expert, SJAHI. The Call to Action joins related efforts that have set ambitious goals to end preventable maternal and newborn deaths, increase access to voluntary family planning, and accelerate improvements in malaria, nutrition, and water and sanitation.

## Peace and stability must be restored in the Middle East and North Africa so as to alleviate poverty — Global Issues

We design and adapt training to specific contexts while integrating Do No Harm principles across the development and humanitarian assistance spectrum.

## Implementation of Women, Peace and Security Initiatives in the Middle East and North Africa

Positive Youth Development in Conflict-Affected Environments: We partner with youth worldwide to help them achieve their aspirations, building on their assets and helping to identify opportunities for them to contribute to their communities.

## The Youth, Transition, and Conflict in the Middle East and North Africa

Scenario 4: Superpower Shift It is important to acknowledge the part that superpower states like America have played in building coalitions against ISIS and their success militarily.

## 6. Countries in the Middle East and North Africa

Our efforts will yield benefits for the region and increase the economic prosperity and security of the United States. All countries in the FSU face severe economic, environmental, and social problems that create possibilities for internal and external conflict. Programs should be designed to

build skills and capabilities of local women, while supporting them to take ownership and to ensure program sustainment.

**Peace and Stability in the Middle East and North Africa and the Internal Challenges Facing the Region**

We also will support development of improved regulatory and rules-based markets to attract foreign investors to the region, including U.
