In the United States, it was mainly successful on the Album Rock Tracks chart, where it peaked at No. It was a slow day And the sun was beating On the soldiers by the side of the road There was a bright light A shattering of shop windows The bomb in the baby carriage Was wired to the radio These are the days of miracle and wonder This is the long distance call The way the camera follows us in slo-mo The way we look to us all The way we look to a distant constellation That's dying in a corner of the sky These are the days of miracle and wonder And don't cry, baby, don't cry Don't cry It was a dry wind And it swept across the desert And it curled into the circle of birth And the dead sand Falling on the children The mothers and the fathers And the automatic earth These are the days of miracle and wonder This is the long distance call The way the camera follows us in slo-mo The way we look to us all The way we look to a distant constellation That's dying in a corner of the sky These are the days of miracle and wonder And don't cry, baby, don't cry Don't cry It's a turn-around jump shot It's everybody jump start It's every generation throws a hero up the pop charts Medicine is magical and magical is art The boy in the bubble And the baby with the baboon heart And I believe These are the days of lasers in the jungle Lasers in the jungle somewhere Staccato signals of constant information A loose affiliation of millionaires And billionaires and baby These are the days of miracle and wonder This is the long distance call The way the camera follows us in slo-mo The way we

look to us all The way we look to a distant constellation That's dying in a corner of the sky These are the days of miracle and wonder And don't cry, baby, don't cry Don't cry. In 1986, my wife, Gerda, and I were living in Orange, Calif.

The Boy in the Bubble by Paul Simon

In the first biography ever written about Paul Simon, Humphries assesses the superstar's long career: the early days; the immortal hits; the successful collaboration and subsequent break with Art Garfunkel; the career as solo artist; and the triumphant release of Graceland winner of the Grammy Award for Best Album of the Year. They both encouraged me to make the trip. With the remarkable quantity of words he flies through, he lets the words tell the story, and his speech accompanies the groove by finding the natural rhythms of the text.
