Priority 1: Absolute Priority

In 1986, the task force fulfilled that charge by issuing A Nation Prepared: Teachers for the 21st Century. .

Curriculum

High-Need Children We would encourage the Administration to use the people first language, and change this to Children with High-Needs. Performance Level Descriptors are an additional tool that you can use to better understand the grade level expectations for grades 3-11. The ELC should stress the development of credible assessment plans that move states along a continuum and measure effectiveness against the plan.

National Board for Professional Teaching Standards' National Teacher Certification. ERIC Digest.

Tiered Quality Rating and Improvement System means the system through which the State uses a set of progressively higher Program Standards to evaluate the quality of an Early Learning and Development Program and to support program improvement. The First 5 LA Family Literacy Initiative is a comprehensive program to promote language and literacy development, parenting knowledge and skills, and economic self-sufficiency among low-income families in Los Angeles County.

Ofsted

Using graphic organizers allows you to address a variety of learning modalities at once during reading instruction. Teachers will be available to advise students as they progress through this curriculum, and advisors will help monitor student completion.
