Introduction

A total of 147 articles provide information about varied and diverse voting practices and each article is followed by a short bibliography. Most abstracts are in English though some are in French. Source annotations describe source content, types of material covered, time period covered, geographic focus, number of entries, arrangement, indexing, and special features.

General Guide to European Union Sources

It therefore follows that it has many different versions and standards. Book sections include: Origins of EPC, institutional developments of EPC from 1969-1997, security and the evolution of the WEU, and policy developments.

Eurojargon : a dictionary of European Union acronyms, abbreviations and sobriquets : Ramsay, Anne : Free Download, Borrow, and Streaming : Internet Archive
