Public finance

Finance minister Nirmala Sitharaman will present the Budget on February 1. Government finance statistics should offer data for topics such as the fiscal architecture, the measurement of the efficiency and effectiveness of government expenditures, the economics of taxation, and the structure of public financing.

Who's Who in Budgeting and Public Expenditures

Accountability focuses on the inputs going into the system or program in action and is best characterized by the line-item budgeting approach.

Government budget

Some governments also use public funds to subsidize forms of transport not paid for with government funds in order to encourage citizens to use mass transportation and reduce carbon emissions. Funds such as direct grants, loans and loan guarantees re-introduced and monitored in accordance with the provisions provided.

Budget should ensure strong and targeted public expenditure to address K

Schools are paid for with public funds, and in some countries the national government covers these costs, whereas in other places municipal authorities raise taxes to cover education costs.
