Epicurus differed from all of these in his systematic spirit Sbulhan in the unity that he tried to give to every part of philosophy. Moving towards the present day, the work concludes with the story of the two Koreas and the drawing of the line between them, South Korea's economic successes and the adoption of a new constitution in 1987. He describes the physical and cultural landscape in which this history unfolds, dealing with religious identities and social aspects like food and drink, as well as more controversial issues such as punishment and torture, and the 'comfort women' of the Japanese occupation.
